

Mister

SYRAH

HAWKE'S BAY 2017

Don't be fooled by his look, Mister is a modern Hawke's Bay love story. The love of the grape, the land, the adventure and the road that led you there. Slightly left of centre, Mister is as clever as it is curious, as bold as it is beautiful, dapper in dress-sense only and modern to the core.

So, banish the kerchief to your back pocket and settle in.

Understated, never. Magnificent, always.

WINERY

The fruit was destemmed and crushed into open and closed top tanks. Primary ferment lasted for around 9 days and the tanks were plunged or pumped over up to three times daily. The wine was then held on skins for up to two weeks, after which it was pressed. The wine was then aged in French oak barriques and tank for 14 months before being blended, lightly fined and bottled.

TASTE

Mister Syrah is bright and vibrant in colour with aromas of raspberries, violets and nutmeg.

The palate is silky with great balance and a fine structure. A wine styled for approachability.

Alcohol: 11.5%

Standard Drinks: 6.8 standard drinks

Allergens: Contains Sulphites. Traditional fining using egg whites, traces may remain.

Te Awanga Estate, 376 Parkhill Road,
Te Awanga, Hastings, Hawke's Bay.
