

ONE OFF

STUFF & NONSENSE ORGANIC PINOT NOIR

HAWKE'S BAY 2018

The notion that Hawke's Bay has no business in the Pinot Noir game has long since been relegated to the 'stuff and nonsense' file.

VINEYARD

Grown organically at Mangatahi on old river terraces on vines that produced plump, ripe fruit picked long before the April rains hit. Expert canopy management, including shoot thinning and leaf plucking, has ensured vine health, ideal flavours and clean, ripe fruit.

WINERY

The fruit was destemmed and cold-soaked for up to seven days before a natural ferment kicked off. The wine was pumped over up to three times a day at the height of ferment and spent a total of three weeks on skins. The wine was matured in new and used French oak before blending.

TASTE

Tobacco, violet, and subtle earthy characters on the nose, followed by vibrant, silky dark red and plum flavours. Good stuff.
