

TE AWANGA E S T A T E

Covid 19 Vaccination Policy

Like all organisations we have had to think deeply about how we keep our people, our customers, and partners safe from COVID-19. This is a top priority for us all.

To this end, Te Awanga Estate is introducing a COVID-19 Vaccination Policy in line with Government Mandates which will take effect in New Zealand on Friday 3rd December 2021.

We take these mandates seriously. We employ awesome people who we want to continue to employ as much as we want to keep operating for our customers this summer.

Under this policy:

- COVID-19 vaccinations will be required for all visitors to enter Te Awanga Estate, Cellar Door, Vineyards, Offices or attend Te Awanga Estate events.
- We ask that you show proof of your vaccinations with your My Vaccine Pass. There is always the option to meet virtually if you prefer.
- Te Awanga Estate people are required to be fully vaccinated if visiting customers' premises, attending offsite events or working in our offices.

The COVID-19 situation is constantly evolving, and we will review our policy regularly.

From Friday 3rd of December, please have your Covid vax passport ready to scan, and please be kind to our staff as they do their job ❤️

We look forward to continuing to work alongside you, thank you for your understanding and support.
